PHOTO/VIDEO RELEASE (ALL CLIENTS)

I hereby assign and grant to The Doggie Inn the right and permission to use, reproduce, distribute, and publish the photograph(s), film(s), videotape(s), audio and video recording(s), electronic representation(s) and/or sound recording(s) made of me and/or my dog(s) at any time during the training and/or boarding of my dog(s) by The Doggie Inn, and I hereby release The Doggie Inn from any and all liability resulting from such use, reproduction, distribution, and publication.

I hereby authorize the reproduction, sale, distribution, copyright, exhibit, broadcast, and/or electronic storage of any and all such photograph(s), film(s), videotape(s), audio and video recording(s), electronic representation(s) and/or sound recording(s) without limitation at the discretion of The Doggie Inn and I specifically waive any right to any compensation I may have for any of the foregoing. Please initial and date that you have read these terms and Agree to this Photo/Video release Agreement: Initial: _____ Date: _____

PICK-UP/DROP-OFF AGREEMENT:

Board and Train dogs will be picked up & dropped off by the client unless other arrangements have been made. All Board & Train programs include (1) extensive 2-3 hour go home training session; and (2) 1-hour follow-up training sessions at our training facility.

At the go-home session, we will go over all that your dog has learned and work with you on how to start implementing the training into your daily life.

Follow-up lessons are provided to help ease the transition of your dog back into your home and to help you maintain the high standard for behavior we have at our kennel.

When bringing your dog for a Board and Train, all we need is your dog's food and any medication your dog needs, including flea/tick and/or heart worm (only if they need to be given to your dog while your dog is with us.)

Do NOT bring any bedding, toys, water/food bowls, treats or bones.

Drop-off Agreement: When dropping off your dog at our facility, you will need to stick to the exact time that we agreed upon. We are a working kennel so the staff are busy working dogs in between appointments. Therefore, we pull staff off of training to meet and greet you to make sure your dog gets onto the property safe and securely.

Upon arrival, your dog must be on a leash/collar setup from which they cannot slip out of when going from your car to our property and during the hand-off to the staff member. Your dog may be nervous, scared or excited and any of those things can lead to your dog escaping the collar and running off or around the property, which is a safety issue for the dog, the staff and other dogs on the property.

When you arrive, you will hand off the dog to a staff member. You are NOT to hug, kiss, bend down or use a high-pitch voice at all. Instead, please just hand off the leash to the staff member. Not following these instructions can jeopardize the safety of the staff member.

The staff member will bring the dog back to the kennel and put him/her in the kennel.

You may leave food and medication and any further instructions with the staff.

We do not allow non-employees into the actual kennel as we have numerous dogs with serious issues, and it will create an unsafe environment for all of the dogs as well as staff and yourself.

*Please initial and date that you have read these terms and Agree to the Pick-Up/Drop-Off Agreement:
Initial: _____ Date: _____*

PHYSICAL ACTIVITY AGREEMENT:

Your dog will be staying at a working kennel and not living in a padded room. Your dog spends a good amount of time in the outside world doing lots of things around lots of natural objects, dirt, grass, cement, trees, fencing, bushes, swimming, interacting with lots of other dogs, and humans. It is likely that your dog is going to get scratched, bumped, or bruised. Your dog will most likely get some wear and tear on him/her. Imagine when you went to summer camp for a few weeks, you get a little banged up from all of the activities. Things are bound to happen even though we have taken special care in designing our facility and maintaining a high standard of safety and cleanliness.

As Owner, you acknowledge and understand that there are certain risks involved in pet training, boarding, and care. You release, indemnify, and agree to hold The Doggie Inn from any and all manner of damages, claims, loss, liabilities, costs or expenses, causes of actions or suits, whatsoever in law or equity, (including, without limitation, attorney's fees and related costs) arising out of or related to the services provided by The Doggie Inn. Please initial and date that you have read these terms and Agree to this Physical Activity Agreement:

Social Pack Play & Activity Waiver

I understand and by enrolling in TDI Social Pack Play/ Activity Class participating in a public training class & agility activity, I accept the following:

- That the TDI Training Classes and Agility Activities are held on private property (that doesn't belong to the TDI), at a public location, on TDI owned agility equipment in the presence of other dogs (whose temperaments are not known and may be aggressive) and in the presence of other people (whose temperaments are unknown and may be aggressive).
- That the dog sport of agility is potentially hazardous to both dogs and people. Agility involves the physical act of walking and running over uneven, rough and hard terrain for both dogs and people. Agility involves running near and around agility equipment that may have rough edges, protruding parts and some of the equipment is off of the ground (as high as four and five feet) with no mats underneath. It is not uncommon in agility for people to fall over the equipment, run into the equipment, fall due to slippage or trip over a dog. It is not uncommon for dogs to fall over pieces of equipment, run into the equipment, fall and slip (both on the ground and off of the equipment), strike jump bars and trip over their handlers. Agility involves strenuous running for the people and running, climbing and jumping for the dogs. Agility involves working outdoors in all of the various weather conditions including extreme heat and/or cold, wet conditions. Agility involves working in an unfenced field with roads and vehicle traffic on all sides of the field. Agility involves working in a field with unmarked irrigation ditches. Agility involves driving and parking a vehicle in an unmarked field with other vehicles where backing up a vehicle requires increased caution. Agility may involve off-leash dogs. Dogs are animals and may exhibit aggression to other dogs and people. Aggressive dogs may bite and may cause injury to people and/or other dogs.
- That it is not reasonable, feasible nor realistic for the The Doggie Inn and it's representatives to have knowledge of and compensate for any medical conditions that the people or dogs may have that may be triggered or exacerbated by physical exertion and/or temperature extremes. Therefore, it is the participant's responsibility (or in the case of minor children – their parent's responsibility) to obtain medical or veterinarian approval for their (people and dogs) participation in the activity.

WAIVER, ASSUMPTION OF RISK, AND AGREEMENT TO HOLD HARMLESS

I agree, as the TDI Training Class / Agility Activity participant or as the parent/guardian of a child participant to hereby waive and release the The Doggie Inn it's members and the private property owner (where the TDI Training Classes are held) from any and all liability of any nature for loss, injury, death, disappearance, theft, harm, illness, expense, hardship and/or damage which I, my child(ren) (if participants), my vehicle and/or my dog may suffer.

In consideration of and as inducement to the acceptance of application for agility training and/or participation in an agility event that is held on private property, with TDI owned agility equipment and sponsored by the TDI, I hereby agree to indemnify and hold harmless the The Doggie Inn it's members, the private property owner (where the classes are held) from any and all claims, or claims by any member(s) of my family while on the property where the agility activity/class is being held and/or the surrounding property thereto as a result of any action by any dog, including my own.
