TDI (the doggie inn) reserves the right to change your dog's level or type of boarding / training immediately if we believe it is necessary to protect the health and well being of your dog, other dogs, or employees.

TDI cannot guarantee toys, blankets, or beds will be returned in the same condition as delivered to us.

All dogs must have all vaccinations. We do not require your dog to be spayed/neutered.

We require proof of current vaccinations. Dogs must not have been exposed to any illness within a 30 day period prior to a visit at TDI. Owner agrees to notify TDI of any exposure to any virus, infection or other transferable illness and will not bring dog to TDI until dog is symptom-free for a reasonable period to be determined by dog's veterinarian or until written approval is obtained from a veterinarian.

Owner further agrees not to bring dog to TDI if dog is exhibiting any signs of illness that may be harmful to the other dogs in attendance, such as vomiting, diarrhea, extreme lethargy, etc., without first obtaining approval from TDI.

Changing a dog's food can cause severe upset stomach. TDI recommends you bring your own food. There is a \$6. per day charge for feeding your dog our "house" food should you not bring your own food.

Dog Owner understands the risks involved with communal boarding of dogs. Our boarding / social dogs play inside / outside with other dogs (PLEASE SEE FUN ADD-ONS) Although we offer reasonable care, the unpredictable personality of dogs can sometimes lead to injury or spreading of illnesses, such as Kennel Cough along with bumps & bruises during dog play. (Please see Social Dog Waiver to sign)

Owner represents to TDI that all credit card information Owner has provided is accurate. Owner further represents that all information he/she has provided to TDI is accurate, and that he/she is over 21 years of age.

TDI reserves the right, without notice, to adjust its fees for services. (Please refer to current boarding , training & fun ad on fees)

Our policy regarding BOARDING CHARGES AS FOLLOWS : Boarding charge applies when a dog stays in our facility for a 24-hour period. Dogs must be picked up between 9 am -11:30 am on your check out day.

Owners of dogs picked up after 12 noon will be automatically charged for a day of boarding at our daily \$40 rate.

### **Medical Release :**

Owner gives consent to TDI to act in the Owner's behalf in obtaining emergency veterinary care at Owner's expense if deemed necessary by TDI or any of its employees, officers, directors, agents, etc. Owner agrees to indemnify and hold TDI, its owners, members, managers, and employees harmless from: The expenses associated with such veterinarian care and treatment; and, the acts or omissions of any licensed veterinarian so engaged to provide services to Owner's dogs.

# Social Pack Play & Activity Waiver

I understand and by enrolling in TDI Social Pack Play/ Activity Class participating in a public training class & agility activity, I accept the following:

- That the TDI Training Classes and Agility Activities are held on private property (that doesn't belong to the TDI), at a public location, on TDI owned agility equipment in the presence of other dogs (whose temperaments are not known and may be aggressive) and in the presence of other people (whose temperaments are unknown and may be aggressive).
- That the dog sport of agility is potentially hazardous to both dogs and people. Agility involves the physical act of walking and running over uneven, rough and hard terrain for both dogs and people. Agility involves running near and around agility equipment that may have rough edges, protruding parts and some of the equipment is off of the ground (as high as four and five feet) with no mats underneath. It is not uncommon in agility for people to fall over the equipment, run into the equipment, fall due to slippage or trip over a dog. It is not uncommon for dogs to fall over pieces of equipment, run into the equipment, fall and slip (both on the ground and off of the equipment), strike jump bars and trip over their handlers. Agility involves strenuous running for the people and running, climbing and jumping for the dogs. Agility involves working outdoors in all of the various weather conditions including extreme heat and/or cold, wet conditions. Agility involves working in an unfenced field with roads and vehicle traffic on all sides of the field. Agility involves working in a field with unmarked irrigation ditches. Agility involves driving and parking a vehicle in an unmarked field with other vehicles where backing up a vehicle requires increased caution. Agility may involve off-leash dogs. Dogs are animals and may exhibit aggression to other dogs and people. Aggressive dogs may bite and may cause injury to people and/or other dogs.
- That it is not reasonable, feasible nor realistic for the The Doggie Inn and it's representatives to have knowledge of and compensate for any medical conditions that the people or dogs may have that may be triggered or exacerbated by physical exertion and/or temperature extremes. Therefore, it is the participant's responsibility (or in the case of minor children – their parent's responsibility) to obtain medical or veterinarian approval for their (people and dogs) participation in the activity.

## WAIVER, ASSUMPTION OF RISK, AND AGREEMENT TO HOLD HARMLESS

I agree, as the TDI Training Class / Agility Activity participant or as the parent/guardian of a child participant to hereby waive and release the The Doggie Inn it's members and the private property owner (where the TDI Training Classes are held) from any and all liability of any nature for loss, injury, death, disappearance, theft, harm, illness, expense, hardship and/or damage which I, my child(ren) (if participants), my vehicle and/or my dog may suffer.

In consideration of and as inducement to the acceptance of application for agility training and/or participation in an agility event that is held on private property, with TDI owned agility equipment and sponsored by the TDI, I hereby agree to indemnify and hold harmless the The Doggie Inn it's members, the private property owner (where the classes are held) from any and all claims, or claims by any member(s) of my family while on the property where the agility activity/class is being held and/or the surrounding property thereto as a result of any action by any dog, including my own.
